

GAT Consultant interview

Tuesday 19 June 2018

Organiser: Dr Thomas Wojcikiewicz, St Mary's Hospital

About this seminar

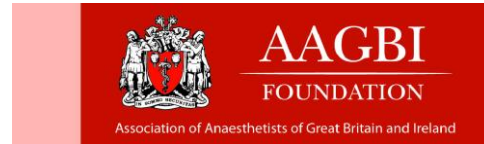

This seminar aims to enhance your skills as an interviewee and maximise the chance of you securing your dream consultant job!

With lectures from experienced interviewers, one-to-one practice interviews with tips on improving performance and a 'hot topics' session to bring you up to date, this is an opportunity not to be missed. 21 Portland Place in London is the home of the AAGBI and provides great facilities and a delicious hot lunch all for a remarkable price (available for this price because all the speakers and interviewers claim no fee for their service - you won't find this value on a commercial course).
