This seminar covers all 4 domains of the General Medical Council's 'Good Medical Practice' framework.

Domain 1: Knowledge, skills and performance

Domain 2: Safety and quality

Domain 3: Communication, partnership and teamwork

Domain 4: Maintaining trust

Learning objectives

1. National audit can improve outcome
2. Anaesthesia and orthogeriatrics need to team up for future improvement
3. Hip fracture anaesthesia is an important determinant of patient outcome
