This seminar covers all 4 domains of the General Medical Council's 'Good Medical Practice' framework:

- Domain 1: Knowledge, skills and performance
- Domain 2: Safety and quality
- Domain 3: Communication, partnership and teamwork
- Domain 4: Maintaining trust

Learning objectives:

1. To gain insight into the different types of law and courts
2. To understand the different types of legal action that might involve anaesthetists
3. To understand how the NHS interacts with the public and the regulators
4. To gain insight into the law impacts on individual and departmental/organisational practice
