# Core Topics Hull

**Friday 1 February 2019**

**Organisers:** Drs Ganesh Gopalakrishnan & Sundaram Ram, Hull

**Location:** Mecure Hotel, Grange Park Lane, Willerby, Hull, HU10 6EA

This Core Topics meeting covers the below domains:

- Domain 1: Knowledge, skills & performance
- Domain 2: Safety & quality
- Domain 3: Communication, partnership & teamwork
- Domain 4: Maintaining trust

Learning objectives:

**The FRCA for trainers and trainees** Dr Nirmala Soundararajan, Hull

1. Inform about the changes to the FRCA exams, especially the Final written and SOE exams
2. Signpost to FRCA exam resources
3. Describe the FRCA exam quality assurance processes
4. Describe the process of examiner recruitment and training.

**Current concepts in the management of trauma** Mr Martin Taylor, Trauma Surgeon, Leeds

1. Re-enforce the teamwork required for acute polytrauma management
2. Update on the latest guidance for the management of severe open fractures
3. Outline advances in acute resuscitation of the peri-arrest trauma patient
4. Explain the concept of "Early Appropriate Care" in the surgical management of orthopaedic injuries in the polytrauma patient.
5. Raise awareness of a trend toward Rib Fracture Fixation
