

An introduction to obstetric regional analgesia and anaesthesia for trainees

Tuesday 24 September 2019

Organiser: Dr Suni Halder, Oxford

Faculty: Drs Anna Carter, Tim Knowlman, Barbara Macafee, Belfast, Ursula McHugh, London, Angus Rivers, Luton, Johnathan Springett, Redhill & Tabatha Tanqueray, London

Location: London Marriott Hotel Marble Arch, 134 George St, Marylebone, London W1H 5DN

Now in its 10th year! Stepping foot on to labour ward as a trainee can be daunting. This seminar is aimed primarily at ST1-3 trainees and intended to provide those approaching, or in the early stages of, their first obstetric block, with the knowledge and confidence to deal with regional analgesia and anaesthesia on labour ward.

The seminar includes presentations, group discussions and practical exposure to different equipment and supervised practice inserting epidurals and spinals using manikins

09:15 **Registration and refreshments**

10:00 **Presentations**
