08:30-10:00	Registration (Riverside foyer, ground floor) / exhibition opens / tea & coffee (Hall 1, first floor) Location: Auditorium, first floor		
10:00-10:25	Welcome address and celebration of 90 years of the Association of Anaesthetists Dr Mike Nathanson, President, Association of Anaesthetists		
	Location: Auditorium, first floor	Location: Studio, first floor	Location: Hall 2a, first floor
10:30-12:00	W1a: Simulation (Live on-stage demonstrations) Chair: Dr William Donaldson, Belfast and Dr Naomi Freeman, Chair, Trainee Committee, Association of Anaesthetists	W1b: Oral presentations: Audit, QI & survey Chair: Dr Seema Agarwal, Elected Member, Association of Anaesthetists	W1c: Advancing women's health Chair: Dr Helen Laycock, Editor, Anaesthesia
10:30-12:00	This session will involve the live, on-stage demonstration of simulated scenarios. The faculty comprising the simulation team are comprised of local experts in simulation. The scenarios will be guided in part by using audience participation - you get to decide how the simulations progress. To the best of our knowledge this approach has not been used live in a UK conference. Join us for what will be an innovative, informative and interactive session. Faculty: Dr William Donaldson, Dr Martin Duffy, Dr Jonny Holland, Dr Claire Martin, and Dr Andrew Topping, Belfast		(10:30-10:45) Managing medical comorbidities during pregnancy and childbirth Dr Catherine Nelson-Piercy, London (10:45-11:05) Menopause - its relevance and impact Dr Rebecca Lewis, Stratford-upon-Avon (11:05-11:20) Bias and women's health outcomes Dr Edward Mullins, London (11:20-11:35) Interface between medical management of obstetric patients, anaesthesia and critical illness Dr Clare Mumby, Manchester (11:35-12:00) Discussion
12:00-13:15	Lunch / exhibition / networking / view the posters (Hall 1, first floor)		
12:20-13:10	Industry-sponsored symposium supported by Masimo (Hall 2b, first floor). Lunch will be available in room from 12:00 Optimising perioperative care: the role of non-invasive technologies in improving surgical workflow - See page 19 Chair: Dr Basil Matta, Cambridge		

	Location: Auditorium, first floor		
13:15-14:00	Keynote: The magic of the NHS Mr Michael Rosen, Prof of Children's Literature, Goldsmiths, University of London (Presenting live, virtually) Chair: Dr Mike Nathanson, President, Association of Anaesthetists		
	Location: Auditorium, first floor	Location: Studio, first floor	Location: Hall 2a, first floor
14:05-15:35	W3a: Challenges in the workplace Chair: Dr Victoria McCormack, Elected Member, Association of Anaesthetists	W3b: Exhibition showcase Chair: Dr Peter Young, Industry Lead, Association of Anaesthetists	W3c: Bariatrics Chair: Dr Krish Radhakrishna, Elected Member, Association of Anaesthetists
14:05-15:35	(14:05-14:20) Diversity in anaesthesia Dr Sethina Watson, Bristol	Check out the latest on what industry have to offer, presented by Dr Peter Young with a panel discussion. Panellists: Dr Fiona Kelly, Bath and Dr Bernie Liban, London	(14:05-14:25) Obesity is a pandemic Dr Andrew McKechnie, London
	(14:20-14:35) An inalienable right Dr Stuart Edwardson, Edinburgh		(14:25-14:45) Obstructive Sleep Apnea (OSA) and obesity Dr Harry Thompson, Abu Dhabi
	(14:35-14:50) Bias towards transgender people Dr Ciara Greer, GLADD		(14:45-15:05) Management of an obese patient Dr Laura Pengelly, Sheffield
	(14:50-15:05) Micro-aggressions Dr Rosie Baruah, Edinburgh		
	(15:05-15:35) Discussion		(15:05-15:35) Discussion
15:15-16:15	Links / SAS Links / Trainee Network Leads Networking Session (Hall 2b, first floor)		
15:35-16:15	Tea & coffee / exhibition / networking / view the posters (Hall 1, first floor)		

	Location: Auditorium, first floor	Location: Studio, first floor	Location: Hall 2a, first floor
16:15-17:45	W4a: Point of Care Ultrasound (Live on-stage demonstrations) Chair: Dr Emma Wain, Elected Member, Association of Anaesthetists	W4b: History of anaesthesia - celebrating 90 years of the Association and the development of anaesthesia Chair: Dr Kathleen Ferguson, Immediate Past President, Association of Anaesthetists	W4c: Wellbeing Chair: Dr Naomi Freeman, Chair, Trainee Committee, Association of Anaesthetists
16:15-17:45	(16:15-16:30) Lungs Dr Rosie Hogg, Belfast	(16:15-16:30) The early years of the Association and the development of the diploma in anaesthetics Dr Robert Feneck, London	(16:15-16:35) The wellbeing revolution Dr Jo Hemmings, Behavioural Psychologist, London
	(16:30-16:45) Point of care - the heart of the matter Dr Jonny Wilkinson, Northampton	(16:30-16:45) The early days of anaesthesia especially chloroform Dr Alistair MacKenzie, Edinburgh	(16:35-16:55) Wellbeing and resilience - work affects our personal lives, but our personal lives affect work too Dr Victoria McCormack, Manchester
	(16:45-17:00) Gastric Dr Kariem El-Boghdady, London	(16:45-17:00) History of obstetric anaesthesia in the UK Dr Nuala Lucas MBE, London	
	(17:00-17:15) Abdomen (trauma) Dr Alex Scott, Middlesbrough	(17:00-17:15) Development of paediatric anaesthesia Dr Colin Black, Dublin	(16:55-17:15) Protecting the mental health of NHS staff; what's the evidence and what should be done? Prof Neil Greenberg, Consultant Occupational and Forensic Psychiatrist, London
	(17:15-17:30) Focused Transoesophageal Echocardiography (fTOE) Dr Antonio Rubino, Cambridge	(17:15-17:30) Development of the Association into 21st Century Dr Kathleen Ferguson, Aberdeen	
	(17:30-17:45) Discussion	(17:30-17:45) Discussion	
17:45-18:30	Networking drinks reception - celebrating 90 years of the Association (Hall 1, first floor)		
18:30	Close of day 1		

08:15-08:45	Registration (Riverside foyer, ground floor) / exhibition / tea & coffee (Hall 1, first floor)		
	Location: Auditorium, first floor	Location: Studio, first floor	Location: Hall 2a, first floor
08:45-10:15	T1a: Trainee session - (session created by trainees but all welcome) Chair: Dr Naomi Freeman, Chair, Trainee Committee, Association of Anaesthetists	T1b: Delirium Chair: Dr Seema Agarwal, Elected Member, Association of Anaesthetists	T1c: International relief efforts during a crisis Chair: Dr Krish Radhakrishna, Elected Member, Association of Anaesthetists
08:45-10:15	(08:45-09:05) History of trainee anaesthesia Dr Matt Heron, London	(08:45-09:05) Delirium after regional vs general anaesthesia Dr Fang Gao, Birmingham	(08:45-09:05) Facing Africa Dr Patrick Seigne, Cork, Ireland
	(09:05-09:25) Veterinary anaesthesia; all creatures great and small Dr Jenny Bowen-Smith, Veterinary Anaesthetist, Liverpool	(09:05-09:25) Delirium after COVID-19 Tbc	(09:05-09:25) Re-invigoration of CANECSA Dr Brian Kinirons, Galway, Ireland
	(09:25-09:45) Global anaesthesia as a trainee Dr Linden Baxter, Oxford	(09:25-09:45) Reducing postoperative delirium Dr Judith Partridge, London	(09:25-09:45) Virtual COVID-19 care centre - a innovative approach during COVID-19 pandemic. Mr Rajendra Irani, Clinical Nurse Manager, Portlaoise, Ireland
	(09:45-10:15) Discussion	(09:45-10:15) Discussion	(09:45-10:15) Discussion
10:15-10:55	Tea & coffee / exhibition / networking / view the posters (Hall 1, first floor)		
10:30-10:50	Industry-sponsored symposium supported by BD (Hall 2b, first floor) - Tea & coffee will be provided in room from 10:15 BD NRFit™ neuraxial device solutions for spinal anaesthesia - See page 19		
	Location: Auditorium, first floor		
10:55-11:35	Annual Members Meeting & Presidential handover Dr Mike Nathanson, President, Association of Anaesthetists; Dr Matt Davies, President Elect, Association of Anaesthetists and Dr John Ward, Honorary Treasurer, Association of Anaesthetists		
11:35-12:20	Keynote: Can we ever reduce the NHS waiting list for surgery? Ms Deborah Eastwood, Vice President, British Orthopaedic Association Chair: Dr Matt Davies, President, Association of Anaesthetists		
12:20-13:35	Lunch / exhibition / networking / view the posters (Hall 1, first floor) / Trainee lunch (Arc, ground floor) / SAS lunch (Bar 2, second floor)		

12:40-13:30	Industry-sponsored symposium supported by Fisher & Paykel Healthcare Ltd (Hall 2b, first floor) - Lunch will be provided in room from 12:20 Optiflow: Progress in the post COVID-19 era - See page 19 Chair: Dr Peter Young, King's Lynn			
	Location: Auditorium, first floor	Location: Studio, first floor	Location: Hall 2a, first floor	
13:35-15:05	T3a: Innovation session Chair: Dr Peter Young, Innovation Lead, Association of Anaesthetists	T3b: Oral presentations: Case reports Chair: Dr Tei Sheraton, Vice President, Association of Anaesthetists	T3c: SAS session (organised by the SAS Committee, all welcome) Chair: Dr Robert Fleming, Honorary Membership Secretary Elect, Association of Anaesthetists	
13:35-15:05	(13:35-13:55) History of the Innovation Award Dr Bernie Liban, London (13:55-14:15) Winner of the 2022 Innovation Award - The IDAS Mask System (Inhaled Dynamic Analgesia and Sedation): A novel patient controlled analgesia and sedation mask Dr Alastair Darwood, Inspired Ventilation Ltd (14:15-14:35) iGel RS - process of bringing a new product to market Dr Mohammed Nasir, London (14:35-14:55) Exovent Prof Anil Patel, London (14:55-15:05) Discussion		(13:35-13:55) A day in the life of a pre-hospital emergency care anaesthetist Dr Mark Clayton, Emeritus Fellow in Pre-Hospital Emergency Medicine, East Anglian Air Ambulance (13:55-14:15) Managing a service around deteriorating patients Dr Anushka Aubeelack, Associate Medical Director for Deteriorating and Critically Ill patients, Barking (14:15-14:35) TIVA Dr Christopher Rowlands, London (14:35-15:05) Discussion	
15:05-15:45	Tea & coffee / exhibition / networking / view the posters (Hall 1, first floor) / Anaesthesia Associates focus group (Hall 2b, first floor)			

	Location: Auditorium, first floor	Location: Studio, first floor	Location: Hall 2a, first floor
15:45-17:15	T4a: Regional anaesthesia - block for the future (Live on-stage demonstrations) Chair: Dr Rosie Hogg, Belfast	T4b: Living with COVID-19 Chair: Dr Mike Kinsella, Editor, <i>Anaesthesia News</i>	T4c: Human factors Chair: Dr Victoria McCormack, Elected Member, Association of Anaesthetists
15:45-17:15	(15:45-16:00) Lower limb PENG, fascia iliaca and iPACK Dr Athmaja Thottungal, Canterbury	(15:45-16:05) Long COVID-19 - what is the immune system doing? Prof Luke O'Neill, Dublin	(15:45-16:05) The vulnerable anaesthetist Dr Mark Stacey, Cardiff
	(16:00-16:15) Chest wall, PECS, serratus Dr David Johnston, Belfast	(16:05-16:20) Long COVID-19 and the anaesthetist: professional lessons from a personal journey Dr Jake Suett, King's Lynn	(16:05-16:25) Taking a human factors approach to learning - improving safety for patients, staff, and families Dr Dawn Benson, Consultant, Systems Safety
	(16:15-16:30) Abdominal wall, TAP, QL and rectus sheath Dr Kariem El-Boghdady, London	(16:20-16:35) Long COVID-19 - iron and B12 Prof Andrew Klein, Cambridge	(16:25-16:45) Human factors in airway management Dr Fiona Kelly, Bath
	(16:30-16:45) Block on the back, spinal, ESP paravertebral ultrasound Dr Clara Lobo, Porto, Portugal	(16:35-16:55) Long COVID-19 - respiratory physician Dr Shyam Madathil, Birmingham	
	(16:45-17:00) Upper limb: brachial plexus Dr Louise Moran, Letterkenny, Ireland	(16:55-17:15) Discussion	
(17:00-17:15) Discussion			
	Location: Auditorium, first floor		
17:20-18:05	Keynote: Teamwork and creating a high performance environment Dr Noelle Healy, Ireland Chair: Dr David Honan, Convenor, Irish Standing Committee		
18:05	Close of day 2 / Annual Dinner - Titanic Belfast (from 19:30)		

Poster judging

The top scoring abstracts in each category will be discussed in the facilitated poster judging session in Hall 1, first floor. See times below. Only shortlisted posters will be discussed during these sessions.

Thursday 15 September (15:45-17:15)

Audit, QI and survey | Case report | Original research
Roddie McNicol Patient Safety Prize

Non-shortlisted facilitated group poster discussion sessions

Poster submitters who are not shortlisted for discussion, can book on to an informal group poster discussion session on a first come, first served basis (max six presenters per session). To book on to one of the following sessions, please speak to a member of the governance team during the conference.

Wednesday 14 September (15:35-16:15)

08:30-09:00	Registration (Riverside foyer, ground floor) / exhibition / tea & coffee (Hall 1, first floor)	
	Location: Auditorium, first floor	
09:00-09:45	Keynote: The Assistant Surgeon. A Titanic story Dr John Martin, Retired consultant, Accident and Emergency Dept, Belfast (Great uncle was Dr Simpson, Assistant Surgeon on the RMS Titanic) Chair: Prof George Shorten, President, College of Anaesthesiologists of Ireland	
09:45-10:45	F1a: Anaesthesia session - Emergencies Chair: Prof Andrew Klein, Editor in Chief, Anaesthesia	
	(09:45-10:00) Peri-operative cardiac arrest Dr Emira Kursumovic, Bath	
	(10:00-10:15) IV fluids - fighting an ingrained resuscitation paradox Dr Jonny Wilkinson, Northampton	
09:45-10:45	(10:15-10:30) Top article of the year 2021 Prof Ed Mariano, Stanford, USA	
	(10:30-10:35) Presentation from the top article of the year 2021	
	(10:35-10:45) Discussion	
10:45-11:25	Tea & coffee / exhibition / networking / view the posters (Hall 1, first floor)	
	(11:25-12:10) Keynote: Infection to inflammation - why the immune system is so important and what goes wrong, including COVID-19 Prof Luke O'Neill, Prof of Immunology, Trinity College, Dublin Chair: Dr Matt Davies, President, Association of Anaesthetists	
11:25-12:40	(12:10-12:40) Honours, awards and prizes Chair: Dr Matt Davies, President, Association of Anaesthetists	
12:40-13:55	Lunch / exhibition / networking / view the posters (Hall 1, first floor) / (13:15-13:55) Anaesthesia Associates focus group (Meeting Room 3a, third floor)	
	Location: Auditorium, first floor	Location: Studio, first floor
13:55-15:25	F3a: How to teach and how to learn regional anaesthesia Chair: Dr Louise Moran, Letterkenny, Ireland	F3b: Environment and sustainability session Chair: Dr Kenneth Barker, Chair, Environment and Sustainability Committee, Association of Anaesthetists
	(13:55-14:15) Using social media Prof Ed Mariano, Stanford, USA	(13:55-14:15) Implementing nitrous oxide cracking in maternity - reflections on six months of trial and error Dr Cliff Shelton, London
13:55-15:25	(14:15-14:35) Using educational videos Dr Clara Lobo, Porto, Portugal	(14:15-14:35) Do we need nitrous oxide in maternity anyway? Dr Rose Kearsley, Dublin, Ireland
	(14:35-14:55) Teaching at the bedside Dr Rosie Hogg, Belfast	(14:35-14:55) Carbon pricing & balancing the sustainable value equation Dr Fiona Brennan, Cardiff
	(14:55-15:25) Discussion	(14:55-15:25) Discussion

Scientific programme - day 3

Friday 16 September 2022

	Location: Auditorium, first floor	Location: Studio, first floor
15:30-17:00	F4a: Debate: Should videolaryngoscopy be 1st choice for all tracheal intubations? Chair: Dr Tei Sheraton, Vice President, Association of Anaesthetists	F4b: Future of surgery after the pandemic? Chair: Dr Tim Meek, Honorary Secretary, Association of Anaesthetists
15:30-17:00	(15:30-16:00) Pro: Dr Emile Hoogenboom, London Pro: Dr Fiona Kelly, Edinburgh	(15:30-15:50) HIT lists - rapid turnover Dr Imran Ahmad, London
	(16:00-16:30) Con: Prof Ellen O'Sullivan, Dublin, Ireland Con: Dr Krish Radhakrishna, Coventry	(15:50-16:10) What is NOT day-case surgery? Ms Deborah Eastwood, London
	(16:30-17:00) Discussion	(16:10-16:30) High volume, low complexity hubs Dr Elena Bechberger, London
	(16:30-17:00) Discussion	(16:30-17:00) Discussion
17:00	Close of conference	

Industry-supported symposia

Industry-sponsored symposium supported by Masimo

Optimising perioperative care: the role of non-invasive technologies in improving surgical workflow

Chair: Dr Basil Matta, Cambridge

12:20-13:10 Wednesday 14 September 2022

(Hall 2b, first floor) - Lunch will be provided in room from 12:00

Pre-assessment tools to ensure patients are optimized and risk stratified prior to surgery

Prof Sandy Jack, Southampton

Intraoperative care - getting the perioperative course just right; balanced anaesthesia, optimal oxygenation, fluid balance and pain relief

Prof Dan Longrois, France

Post-operative care with continuous monitoring from recovery to the patient's home

Dr Iain Goodhart, Cambridge

Industry-sponsored symposium supported by BD

BD NRFit™ neuraxial device solutions for spinal anaesthesia

10:30-10:50 Thursday 15 September 2022

(Hall 2b, first floor) - Tea & coffee will be provided in room from 10:15

Industry-sponsored symposium supported by Fisher & Paykel Healthcare Ltd

Optiflow: Progress in the post COVID-19 era

Chair: Dr Peter Young, King's Lynn

12:40-13:30 Thursday 15 September 2022

(Hall 2b, first floor) - Lunch will be provided in room from 12:20

(12:40-13:00) Preoxygenation: time to switch? - Prof Anil Patel, London
(13:00-13:20) Nasal High Flow in obstetrics - Prof Nuala Lucas MBE, London
(13:20-13:30) Discussion
