	Stream A - Fundamentals Location: Churchill, ground floor	Stream B - Advances Location: Whittle, third floor	Stream C - Innovations Location: Gielgud, second floor
	T5a - Trauma live moulage simulation with The ATACC Group Chair: Dr Mike Charlesworth, Editor, <i>Anaesthesia</i>	T5b - Personalised peri-operative care Chair: Dr Tei Sheraton, Vice President, Association of Anaesthetists	T5c - Sedation - what is your opinion? Chair: Dr Niamh Barnwell, Editor, <i>Anaesthesia Reports</i>
16:35-18:05	Live on-stage simulations Dr Mark Forrest and Team, The ATACC Group	(16:35-16:50) Peri-operative management of diabetes Dr Nicholas Levy, West Suffolk	(16:35-16:55) Sedation for dentistry - dental surgery vs hospital Dr Bryan Kerr, London
		(16:50-17:05) Iron deficiency and anaemia in the preoperative setting Dr Caroline Evans, Cardiff	(16:55-17:20) Audience debate 'Who should be administering sedation for dentistry?' Dr Bryan Kerr, London and Dr Sadie Thomas, President, SAAD
		(17:05-17:20) Prehabilitation Dr John Carlisle, Torbay	(17:20-17:40) Sedation for hysteroscopy - outpatients vs operating theatre Dr John Dalton, Leeds and Ms Maria Chalmers, Senior hysteroscopy nurse, Leeds
		(17:20-17:35) Peri-operative allergy - introducing a new national network Dr Louise Savic, Leeds	(17:40-18:05) Panel discussion Dr Helen Hughes, Chief Executive, Patient Safety Learning, Dr John Dalton, Leeds, Ms Maria Chalmers, Senior hysteroscopy nurse, Leeds
		(17:35-18:05) Discussion	
18:05-19:30	Winter Social (Exhibition hall, third floor) Come and join us for drinks, canapes and entertainment. Free to attend. The winter social is kindly sponsored by GE Healthcare. 		

Poster discussion and judging times

Poster judging session (Location: Pickwick, first floor)
Thursday 12 January (14:25-15:55)

This session is for posters that have been shortlisted for discussion, based on the top scoring abstracts. Only these posters will be discussed during this session. Shortlisted poster presenters are required to attend this session in order to discuss their poster and to be eligible for prizes.

Non-shortlisted poster session (Location: Pickwick, first floor)
Thursday 12 January (15:55-16:25)

If your poster has not been shortlisted for discussion, you are welcome to book on to an informal group discussion session to discuss your work with an Association Board member. Spaces are limited and are available on a first come, first serve basis. To book on to a session, please speak to a member of the governance team in the Pickwick, first floor.

08:30-09:00	Registration (foyer) / tea and coffee and industry exhibition (third floor)		
	Stream A - Fundamentals Location: Churchill, ground floor	Stream B - Advances Location: Whittle, third floor	Stream C - Innovations Location: Gielgud, second floor
	F1a - Anaesthesia journal session intensive care journal supplement - joint with the intensive Care Society (ICS) Chair: Dr Andrew Verceuil, Editor, <i>Anaesthesia</i>	F1b - Cardiothoracics - jointly organised with the Association for Cardiothoracic Anaesthesia and Critical Care (ACTACC) Chair: Dr Seema Agarwal, Elected member, Association of Anaesthetists	F1c - Paediatrics Chair: Dr Naomi Freeman, Chair, Trainee Committee, Association of Anaesthetists
09:00-10:30	(09:00-09:15) Maternal critical care Prof Nuala Lucas, London	(09:00-09:15) Evidence based medicine versus hype based medicine: Patient blood management Prof Gavin Murphy, Cardiac Surgeon, Leicester	(09:00-09:20) Moving from acute to chronic pain in children Dr Helen Laycock, London
	(09:15-09:30) End of life care in ICU Dr Victoria Metaxa, London	(09:15-09:30) Acute kidney injury after cardiac surgery Prof Marlies Ostermann, London	(09:20-09:40) TIVA in children Dr Liz Allison, Sheffield
	(09:30-09:45) When to treat viral infection in ICU Dr Andy Conway-Morris, MRC Clinician Scientist, Cambridge	(09:30-09:45) Pain that persists following cardiothoracic surgery Dr Sibtain Anwar, London	(09:40-10:00) Procedure-induced anxiety in children Dr Richard Martin, London
	(09:45-10:00) Looking after the liver in ICU Dr Tasneem Pirani, London	(09:45-10:00) Ischaemic conditioning - is it dead in the water? Prof Saadeh Suleiman, Professor of Cardiac Physiology, Bristol	(10:00-10:30) Discussion
	(10:00-10:30) Discussion	(10:00-10:30) Discussion	
10:30-11:10	Tea and coffee and industry exhibition (third floor) / view the posters (Pickwick, first floor)		
	(10:40-11:00) Industry-sponsored symposium supported by Medovate (Location: Whittle, third floor) - See page 14.		MEDOVATE Developing Innovation
	Stream A Location: Churchill, ground floor		
11:10-12:35	(11:10-11:50) Honours and Awards presentations. Chair: Dr Matthew Davies, President, Association of Anaesthetists		
	(11:50-12:35) Keynote: Resilience in the human domain: The BASICS Prof Andy McCann, Prof of Psychology, Manchester Metropolitan University and Director, DNA Definitive		
12:35-13:20	Panel discussion - is our safety culture good enough for patients? Chair: Dr Matthew Davies, President, Association of Anaesthetists Panellists: Dr Fiona Kelly, Bath, Prof Sir Ian Kennedy KC (Hon), Prof Rhona Flin, Professor of Industrial Psychology, Aberdeen, Prof Colin Melville, Medical Director and Director of Education and Standards, General Medical Council, Dr Aidan Fowler, National Director of Patient Safety in England and Deputy Chief Medical Officer at DHSC		

13:20-14:35	Lunch and industry exhibition (third floor) / view the posters (Pickwick, first floor)
