

Posters accepted to WSM 2024

11-12 January 2024

Posters shortlisted for dicussion highlighted in orange

Posters shortlisted for the Green Star Award highlighted in green

Abs no.	Shortlisted	Abstract title	Author(s) (presenting authors shown in bold)
Audit and quality improvement			
1		Bridging the gap: adapting and developing a multidisciplinary training course for provision of enhanced maternal care in the district general hospital setting	K. Aitchison , S. Harwood, S. Bailey, T. Safdar, R. Reilly
2		TIVA diva. Deterring IV accidents: a quality-improvement project to improve the safety of total intravenous anaesthesia usage	S. Ali , A. Donnelly
3		Patients with class III obesity (body mass index ≥ 40 kg.m ⁻²) undergoing robotic hysterectomy in a UK tertiary cancer centre: a service evaluation	S. Al-Kadhimi , P. Young
4		Liposomal bupivacaine for parasternal blocks in cardiac surgery: a promising addition to the peri-operative toolbox?	M. Ashe , A. Bhawnani, T. Keogh , S. Shankar
5		An audit of acute postoperative pain scores and intra-operative analgesia in thoracic surgery	L. Avellano-Khan , S. Armanious
6		Experiences of an enhanced peri-operative care unit	E. Battye , R. Hartley , I. Densham
7		Impact of postoperative destination on elective high-risk major colorectal surgical patients	E. Battye , R. Hartley , I. Densham
8		Accuracy of an automated peri-operative data collection software tool	E. Battye , R. Hartley , I. Densham, G. Matthews
9		Barriers to de-escalating enhanced recovery patients to conventional post-surgical wards	E. Beckford , A. Noah, E. Matthews
10	Yes	Reducing reliance on general anaesthesia for minor lower-extremity amputation	A. Benton
11		Improving documentation on inter-hospital critical care transfers in the Northwest, 2021–2022	E. Bertram-Ralph , L. Coleman
12		The safe and secure storage of local anaesthetics	J. Billings , P. Rajeevkumar, T. Dixon
13		Improving postoperative analgesia in obstetrics	C. Bird, H. Sattar , D. Chitre
14		Time is of the essence: using a dedicated obstetric anaesthetic chart to improve consent in the maternity unit	M. Bishop , S. Rehman, I. Walker
15		The incidence and management of post-dural puncture headache: a 10-year review	H. Burgess , C. Bird, D. Chitre
16		Current sugammadex practice at London North West University Healthcare Trust	I. Canisius , T. Arulampalam, M. Kovac, E. Watson, T. Rope
17		Delirium in the intensive care unit: a quality-improvement project on creating a patient information leaflet	G. Cho , M. Assfaw
18		Use of optimal ventilatory strategies in theatre: an audit of practice in a teaching hospital	D. Cronin , H. Garland, A. Lumb
19		Improving documentation of sedation targets in the intensive care unit	S. Crumley , G. Burns
20		Instituting a one-stop-shop model of pre-assessment for patients going for major/complex cancer surgery in NHS Lanarkshire	S. Crumley , M. Stephens
21		Impact of consultant reviews in the pre-assessment clinic for high-risk patients: where are we now?	S. Crumley , M. Stephens
22	Yes	In the era of a net-zero public sector, should we be challenging the use of sterile surgical gowns for spinal anaesthetics?	M. Davies , F. Brennan
23		A multidisciplinary quality-improvement approach to improve sedation and delirium management in a tertiary critical care unit	S. Davis , R. Brunner, R. McCrorie, O. Leach, Z. Jiwaji
24		Gender disparity in lung ventilation volumes in intensive care	L. Eadie

Posters accepted to WSM 2024

11-12 January 2024

Posters shortlisted for dicussion highlighted in orange

Posters shortlisted for the Green Star Award highlighted in green

Abs no.	Shortlisted		Abstract title	Author(s) (presenting authors shown in bold)
25			Tackling incivility in theatres: a novel multidisciplinary event for theatre staff	R. English , N. Abid, D. Gomez, D. Fawkes, A. Allnatt
26			Interaction between sugammadex and hormonal contraception: awareness amongst anaesthetists	L. Fakes, H. Wilson , S. Thakrar
27			The role of anaesthetists in developing a patient safety curriculum for medical students. 'How to stay safe': the next generation of patient safety teaching	R. Farrands , A. Mohabir, M. Size
28			Clinical frailty scoring in pre-assessment clinic	L. Ferrari , A. Aung, S Arshed, J. Simpson
29			Hormonal contraception and sugammadex: peri-operative counselling of women of childbearing age	J. Finnerty , R. Sandoval, K. Naylor
30			Prescribers' knowledge on the management of acute pain	J. Finnerty , K. Turner, K. Traynor, V. Gadiyar
31			Challenging the ongoing procurement of desflurane at Aneurin Bevan University Health Board	J. Florance
32	Yes	Yes	The introduction of oral paracetamol premedication in the day treatment centre	E. Foley
33	Yes	Yes	Ethyl chloride: should it be left out in the cold?	M. Gabrel , M. Khan, R. George
34			Patient satisfaction and outcome after radiofrequency ablation of lumbar facet joints: a telephone survey	V. Gadiyar , V. Masoji, A. Karmarkar, J. Adedokun
35			Lumbar punctures as a source of delays on the Confidential Enquiry into Perioperative Deaths list: are lack of procedural training opportunities to blame? An audit of lumbar punctures at Watford General Hospital	A. Gallagher , T. Kathirgamanathan, R. Shah
36			Theatre emergency equipment quality-improvement project	A. Gerard , S. Clarke, K. Arnold, H. Carlton
37			Replacement of fibrinogen in major obstetric haemorrhage	O. Gillman
38			Paediatric fluid fasting time: are we getting it right?	M. Gray , S. Clarke, A. Prasad
39			Delirium in the critical care setting. Is bedspace choice a modifiable risk factor for developing intensive care unit delirium?	J. Gundry , P. Isherwood, T. Hickish
40	Yes	Yes	Breast surgery as day surgery: the Newcastle experience	S. Hamilton , B. Goodman, H. Dawson, P. Barrow, H. Cain, A. Critchley
41			Creation of an overnight care facility: did we get it right?	S. Harding, P. Stenning-Smith , E. Stock, M. Saville, A. Oborska
42			Development of an 'awake tracheal intubation pack': promoting safe performance of an essential but infrequent airway skill in a district general hospital setting	S. Harwood, M. Ashe , N. Jain, S. Chitgopkar
43			In pursuit of the ideal anaesthetic technique for awake shoulder surgery	M. Hashem , G. Jejina, Y. Ibrahim, G. Mazis, P. Akhbari, K. Chin
44			A process for rapid introduction of 'Sip Until Send'	R. Hawkins, K. Godfrey , M. Wattie
45	Yes		The SignPost app: a digital solution to improve patient communication	C. Hensher , S. Sethi, M. Khan
46			Anaphylaxis boxes within the theatres complex: why was this so difficult to achieve?	S. Hyder , A. Nottingham, S. Ramani
47			Enhancing intensive care unit treatment escalation plans: a quality-improvement project	L. Hyson , I. Mindlina

Posters accepted to WSM 2024

Posters shortlisted for dicussion highlighted in orange

Posters shortlisted for the Green Star Award highlighted in green

Abs no.	Shortlisted	Abstract title	Author(s) (presenting authors shown in bold)
48		Quality-improvement project to develop a protocol for assessing risk of invasive fungal infections in intensive care unit patients and start anti-fungal treatment	S. Imtiaz , M. Baig, M. Popescu, N. Goel, A. Abu Zaid, M. Awais
49		Quality improvement and patient safety in emergency and critical care medicine: compliance of central venous catheter insertion documentation on electronic health record according to Intensive Care Society guidelines	S. Imtiaz , M. Baig, K. Sharaf, M. Popescu, M. Awais
50		A quality improvement project looking at the prescribing of pre-operative oral analgesia	K. James , J. Zheng, B. Hennessy
51		Introduction of elastomeric pumps for transverse abdominis plane catheter and rectus sheath catheter infusions in laparotomy patients	K. Joshi , S. Gurung, C. Morris , R. Simons
52		Improving dietetics care for colorectal surgery patients in the anaesthetic pre-assessment clinic	J. Kam , C. Dipura
53	Yes	Standardisation of consent for neuraxial anaesthesia in obstetrics	P. Kamath , A. Richardson, K. Joshi
54		Impact of pre-operative pain medications on postoperative health-related quality of life after emergency laparotomy	A. Khan , G. Tackley, S. Khot
55		A quality improvement project addressing anaesthetic reasons for day of surgery cancellations at Aberdeen Royal Infirmary	R. Khan , J. Csajkovszki
56		Ultrasound-guided pecto-intercostal fascial plane block for post-cardiac surgery pain management: a retrospective analysis	T. Khinalska , H. Ahmed
57		Improving the compliance of emergency transfer and medication bags in the critical care department	S. Kumar , R. Iyer, E. Roy
58		Sleep, anxiety and fatigue in family members of patients receiving treatment at Tawam Hospital	V. Kumar, G. Modi, M. Hakmee, L. Christoleenan, N. Rajasekarappa, V. Gadiyar
59		Pre-operative anaemia management in elective neurosurgical spinal patients at a tertiary neurosciences centre	D. Kumaresan , M. Kuha Kumaran , A. Low
60		Post-intubation checklist: routine evaluation prevents oesophageal intubation	A. Kurani , F. Uys, R. Shah
61		Peri-operative hypothermia audit and survey: improving intra-operative temperature monitoring and management	M. Lau
62		An audit of the peri-operative management of patients with diabetes undergoing elective surgery	J. Liddle , N. Pawley, A. Lawson
63		Introducing an online resource hub for international medical graduates: a quality-improvement project to improve the experience of international medical graduate anaesthetists in the UK	M. Lim , S. Zhang, S. Kale
64		Difficult airway teaching to improve skills in awake fiberoptic intubation	P. Lim , A. Patil
65		Lidocaine for relief of tracheostomy discomfort	A. Lumsden , F. McMorrow, K. Simpson
66		Kitchen scales: a simple way to assess volatile capture efficiency?	T. Lwin , M. Molyneux
67		An audit of use of the World Health Organization surgical safety checklist in a rural hospital in Dervan, India	H. Mackay , P. Rabde, N. Sharma
68		Audit finding leading to introduction of a checklist to improve handover between anaesthetists and recovery nurses	F. Mahon-Daly

Posters accepted to WSM 2024

11-12 January 2024

Posters shortlisted for dicussion highlighted in orange

Posters shortlisted for the Green Star Award highlighted in green

Abs no.	Shortlisted	Abstract title	Author(s) (presenting authors shown in bold)
69	Yes	Before they go blue, monitor CO2: improving the use of capnography in recovery through case-based simulation	D. Mankanji, S. Kaur , K. Roser, D. D'Souza
70		Reducing the use of ethyl chloride spray in obstetrics	S. Manning , L. Powell, J. Dennis, J. Gandhi, N. Suchdev
71		Knowledge of the anaphylaxis box and follow up at Pilgrim Hospital, Boston	R. Mathews , S. Tufail
72		Improving the safety and first-attempt success of obstetric intubation in a tertiary obstetric centre	R. McCusker , J. Tait, N. Alexander, J. Critchley, K. Theodosiou
73		The use of videolaryngoscopy in a tertiary obstetric centre: a multi year prospective study	R. McCusker , J. Tait, N. Alexander, J. Critchley, K. Theodosiou
74		Trends in induction drug choice for obstetric rapid sequence induction in a tertiary unit	R. McCusker , J. Tait, N. Alexander, J. Critchley, K. Theodosiou
75		Burnout in anesthesiologists at Tawam Hospital, Al Ain, United Arab Emirates	G. Modi, V. Kumar, S. Narayanamurthy, A. Khanzada, N. Rajasekarappa, V. Gadiyar
76		Audit of analgesia post lower-segment caesarean section	C. Molloy , E. Hart
77		Removing the label: should we be de-labelling penicillin allergies in hospital?	S. Morton , E. Pett
78		Strategies for increasing the use of tranexamic acid in patients undergoing major surgery	L. Murphy , S. Warnakulasuriya
79		Admissions to the intensive care unit for management of 'high-risk' diabetic ketoacidosis	H. Ng , M. Ranganathan
80		A quality-improvement project to improve analgesia and patient experience in the postoperative period following caesarean section	J. Noble Johnston, L. Gambetta , T. Wright, M. Simpson
81		Reducing single-use plastic equipment waste from pre-made anaesthetic packs	O. Nordrum , F. Brennan, M. Duggan
82		Lessons in post-partum haemorrhage: are we getting the anaesthetic technique right?	M. Oldbury
83		Introduction of ephedrine pre-filled syringes	H. Owston , P. Bradley
84		Improving pre-operative oral medication compliance when 'nil by mouth'	A. Patel , M. Kovac, C. Ruck
85		Emergency atropine accessibility: that's a wrap!	M. Patel , T. Craig, M. Kelshiker
86		Retrospective audit on regional anaesthesia documentation	P. Patil , S. Bhadresha, N. Sinha
87		Improving and unifying practice in intercostal drain management amongst anaesthetists, nursing staff and allied health professionals working in a district general hospital	S. Pearcey , R. Cumming, S. Clayton
88		Medication safety during transition from critical care: a quality-improvement project	E. Powell, Z. Gan , L. Pearcey, R. Sama
89		Pre-operative fasting in patients undergoing elective surgery	P. Raja , L. Sharp
90		Tranexamic acid administration and blood transfusion practices in surgical patients at a tertiary centre: an audit of National Institute for Health and Care Excellence QS138 recommendations	P. Ramesh , A. Wickham, Z. Aboud, I. Blundell, F. Chowdhury

Posters accepted to WSM 2024

11-12 January 2024

Posters shortlisted for dicussion highlighted in orange

Posters shortlisted for the Green Star Award highlighted in green

Abs no.	Shortlisted	Abstract title	Author(s) (presenting authors shown in bold)
91		Improving burns care for tracheostomy patients. An integrated teaching programme to upskill the burns nursing team	R. Rebecca , J. Phillips
92	Yes	The Royal Surrey NHS Foundation Trust experience with high-intensity theatre lists for elective robotic-assisted radical prostatectomy. The solution for NHS waiting lists?	R. Reddall , S. Sen
93	Yes	A quality-improvement project to improve documentation of total intravenous anaesthesia in electronic anaesthetic charts	J. Reidy , P. Scarfield, A. Harry , C. Vickers, R. Mangwiro
94		POP: pre-operative oral paracetamol quality-improvement project	D. Riddle , A. Bennett , A. Wilkinson
95		Breast surgery at a Welsh health board: a snapshot of current practice	S. Rynhart , A. Babic
96		Quality-improvement project to assess and improve confidence in managing tracheostomy emergencies at John Radcliffe Hospital	K. Sadanand , R. McDonald
97		Launching the golden patient initiative to promote safer, more efficient and timely surgery for trauma and orthopaedics at a busy district general hospital	N. Saini , C. Luximon, S. Maheshwari, R. Shah
98		Fluid resuscitation practice in adults with burn injuries admitted to the intensive care unit	S. Salim , N. Khalk, C. Vanwyke, R. Emamdee
99	Yes	Implementing an automated creatinine clearance calculator: a simple tool for safer postoperative prescribing	J. Scherewode , D. Braham
100		Audit of glycaemic control in critical care patients in a district general hospital	M. Shakeel, C. Carle, M. Davies
101		Peri-operative hypothermia management in a tertiary care hospital: a quality-improvement project	A. Sharma , K. Jabbal, G. Rees
102	Yes	A green project to evaluate the cost effectiveness and carbon emissions from ethyl chloride spray and cold metal sticks used for testing awake regional anaesthesia blocks/spinals at the Leeds Teaching Hospitals NHS Trust	R. Sharma
103		Opioid-free anaesthesia: a retrospective review of postoperative data	L. Shearer , S. Raybould , E. Shearer
104		Emergency airway tea-trolley teaching within Sunderland Royal Hospital Theatre Department	G. Sondh , L. McGhee
105		Snapshot audit: appropriate blood typing prior to emergency appendicectomy surgery in a district general hospital	R. Sterry-Blunt , T. Cruz Cervera, L. Dyson
106		A quality-improvement project to improve availability of emergency intubation drugs in non-theatre areas	E. Tam
107		A sustainability quality-improvement project reducing the use of plastic and improving cost effectiveness in theatre	E. Tam , T. Abouzied
108		Evaluation of the spinal peri-operative care for older people undergoing surgery clinic: a 3-year experience	E. Tam , A. Lindley
109		Implementation of extended antibiotic infusions in critical care	E. Tam , H. Naeem, M. McCoee
110		Frailty and risk scoring in emergency laparotomy patients at Glasgow Royal Infirmary	N. Tan , G. Scotland
111		Implementing a novel fire evacuation simulation for theatre teams in a tertiary centre teaching hospital	M. Tattersfield , E. Tam, C. Ilyas
112		What the *bleep*?!	S. Teh , P. Lim , S. Varshney
113		Rotational thromboelastometry training: overcoming the learning 'curve'	T. Thompson , D. Dhaka, H. Garston

Posters accepted to WSM 2024

11-12 January 2024

Posters shortlisted for dicussion highlighted in orange

Posters shortlisted for the Green Star Award highlighted in green

Abs no.	Shortlisted	Abstract title	Author(s) (presenting authors shown in bold)
114		Enhancing medication safety and prescription practices in Nottingham University Hospital Critical Care: a quality-improvement project	U. Topiwala
115		Assessing the accuracy of ASA status by anaesthetists in a district general hospital	L. Tye , W. Peat
116		Enhanced pre-operative assessment in patients aged 65 and over: an audit of nurse-led screening and multidisciplinary referral to deliver comprehensive geriatric assessment	A. Warrington , D. Milliken, A. O'Dwyer
117		The development and usage evaluation of a web-based hip fracture application	J. Winfield , S. Tariq , I. Moppett
118		Thirst for change? Sip til send!	S. Zhang , D. Factor, A. Blackstock, S. Weerasuriya
Case reports			
119	Yes	Utilising a dexmedetomidine target-controlled infusion (TCI) for awake craniotomy surgery	A. Al-Attar , M. Back, J. Sebastian
120	Yes	A rare case of airway compromise in a paediatric burn patient without airway burns	O. Baker , R. Leggatt
121		Anaesthetic management of caesarean section in a patient with traumatic diaphragmatic hernia	M. Bijral , B. Plummer, K. Kamaraj, S. Bijral
122	Yes	Brugada syndrome: challenges for the anaesthetist in the labouring parturient	E. Billson
123	Yes	Multidisciplinary management of an obstetric patient with new diagnosis of midbrain arachnoid cyst	S. Bloomfield , A. Ahmed
124	Yes	Peri-operative anaphylaxis to Patent Blue V dye complicated by sensitivity to suxamethonium	L. Chambers , E. Benison
125		Sudden refractory increase in end-tidal carbon dioxide: a diagnostic dilemma	L. Eadie
126	Yes	Spuriously high central venous catheter pO ₂ in a patient with an arteriovenous fistula	C. Evans, T. Hall
127		Horner's syndrome post epidural anaesthesia/analgesia on the labour ward: a reminder to consent for it	W. Flesher , M. Janowski, P. Pernu
128	Yes	Post-partum sacral stress fracture and contralateral sural nerve palsy following caesarean delivery	J. Florance
129		Getting stuck on sodium: the importance of maintaining clinical context and clear communication when applying clinical guidelines	R. Gormley , M. Crawford, C. Zhang
130	Yes	Combined therapeutic plasma exchange and intravenous immunoglobulin therapy for heart transplantation in a patient with heparin-induced thrombocytopenia	H. Kothari , A. Verzelloni, M. Scaramuzzi
131		Anaesthesia for a parturient with severe aortic stenosis following transcatheter aortic valve implantation	P. Lim , A. Patil
132	Yes	Black pleural effusion: an outlier from an already rare patient cohort	E. McEwan
133		The heart does go on. Successful cardiopulmonary resuscitation in a complex cardiac patient in the emergency department: unique challenges and a multidisciplinary approach	K. Nweze , C. Nnochiri, J. Cain
134		Erector spinae block combined with sedation for an incision and drainage of an upper back subcutaneous abscess	N. Thiru , C. Barrett Nnochiri, C. Wright
135		Recovery room 'red herring fallacy': the challenging diagnostics of glycine toxicity	R. Wong , K. Pearson
136	Yes	Association and management of cystic fibrosis with Wolff–Parkinson–White syndrome	Z. Zhou , T. Mohammed, R. Owens, D. Garcia

Posters accepted to WSM 2024

11-12 January 2024

Posters shortlisted for dicussion highlighted in orange

Posters shortlisted for the Green Star Award highlighted in green

Abs no.	Shortlisted	Abstract title	Author(s) (presenting authors shown in bold)
Original research			
137	Yes	Does peri-operative red blood cell transfusion increase the risk of cancer recurrence in patients undergoing curative surgery? Umbrella review of observational research and summary of randomised controlled trial evidence	J. Etheridge, P. Shah , T. Walsh, A. Shah, S. Stanworth, E. Harrison
138	Yes	Applied behavioural analysis in anaesthesia: an opportunity to examine humanistic human factors?	D. Gillespie , S. Provost
139	Yes	Comparison of gastric insufflation volume between the Baska Mask and LMA ProSeal in patients undergoing elective surgery under general anaesthesia: a randomised, controlled trial	S. Gupta , S. Sundaramoorthy, S. Swaminathan, S. Arul
140	Yes	Metabolic sub-phenotypes in sepsis: association with outcomes and trajectory over time	E. Harte , H. Hussain, B. Jimenez, A. Gordon, D. Antcliffe
141	Yes	Exploring the associations between functional fitness, frailty, postoperative complications and patient outcomes: impact on quality of life and healthcare service utilisation	M. McAdam , J. Leung, S. McKinlay
142	Yes	Intrathecal opioids and multi-modal analgesic techniques for elective colorectal surgery	S. Norman , C. Durey, L. Gemmell, P. Henderson
143	Yes	Coding tracheostomy care excellence: insights from a comprehensive multidisciplinary staff survey	S. Owen , J. Lynch, B. McGrath
144	Yes	A quantitative evaluation of aerosol generation during positive pressure ventilation with a supraglottic airway device with and without a large intentional leak	A. Shrimpton, A. Quayle , D. Sleep, J. Brown, J. Reid, T. Cook
Survey			
145		Availability of appropriately sized lead aprons and neck collars in the operation room at Tawam Hospital	R. Ali Nasser AlEissaee , A. AIDhanhani, R. Alakberi Dhaheri, F. Sultan Al Dhaheri, R. Ahmed AlKatheeri, N. Kotemane Rajasekarappa
146		Roles of the anaesthetist: a survey of medical students	K. Aubeeluck , M. Jarvis
147		Anaesthetic placement in medical school: a survey of medical students	K. Aubeeluck , M. Jarvis
148	Yes	A survey of choice and use of general anaesthetic agents amongst anaesthetists in Singapore	C. Chong, C. Wee , K. Venkatesan
149	Yes	Evaluating the usefulness of an ear, nose and throat training module on airway endoscopy skills for anaesthesia residents	S. Chua, X. Li , J. Zhang
150	Yes	Evaluating the impact of anxiety and depression on patient DrEaMing status: a postoperative outcome measure	T. Culling , S. Churchill, S. Bell
151	Yes	Assessing local trainee views on paediatric anaesthesia training	E. Gillen , K. Pearson
152	Yes	Assessing anaesthetic opinions on key drugs and their economic impact on pharmaceutical wastage in theatres	K. Ilksa , J. Fullick
153	Yes	Smoothing the path of integration of a new workforce: anaesthesia associates and trainees	S. Ingley, M. Gaines , S. Mistry
154	Yes	Intra-operative cell salvage: survey of UK practice	M. Kumar , F. Choksey, A. Jones, C. Carroll, K. Coffey
155	Yes	Site STORE (Site Survey of Training Opportunities in Research in East of England): does the region support training in research?	S. Loftus, L. Allen , C. Phillips

Posters accepted to WSM 2024

11-12 January 2024

Posters shortlisted for dicussion highlighted in orange

Posters shortlisted for the Green Star Award highlighted in green

Abs no.	Shortlisted	Abstract title	Author(s) (presenting authors shown in bold)
156	Yes	Two critical incidents and a staff survey concerning entrapment of the breathing circuit under the wheels of the anaesthetic machine: the case for cheaper, more ubiquitous wheel guards	S. Samanta , I. Wrench
157	Yes	Tea-trolley simulation of 'prep, stop, block' and the empowerment to speak up	A. Yousef , A. Ghanim , M. Hussein, N. Hoque, M. Sinnott
NELA Trainee poster prize			
158	Yes	Putting NELA on a time out: a quality-improvement project for emergency laparotomy patients	K. Dibb , D. Coventry
159	Yes	Pre-operative mortality risk assessment for emergency laparotomy: a local quality-improvement project	O. Duffey , B. Skalska-Lis
160	Yes	A structured investigation into improved postoperative mortality following emergency laparotomy at a high-volume centre	J. Ibbotson , T. Mount
161	Yes	The impact of a nurse specialist to clinical outcomes after emergency laparotomy	S. MacDonald , H. Ng , M. Clark, J. Edwards, M. Burke, S. Moug
162	Yes	All e-board the safety train: electronic lists for handover in emergency surgery	N. Rathod , A. Robinow , A. Patel
163	Yes	Impact of age, frailty and elderly care on processes and outcomes in emergency laparotomy	T. Walker
164	Yes	Enhancing patient care through automated National Emergency Laparotomy Audit score generation from Epic Electronic Health Record: optimising emergency laparotomy risk assessment for targeted clinical interventions and resource allocation	A. Yousaf , M. Aftab , C. Johnstone, T. Dixson, P. Walsh

Shortlisted poster discussion sessions (for posters highlighted in orange only)

Thursday 11 January 2024 (11:25-12:55)

Exhibition hall, third floor

Audit, QI and survey | Case report | Original research | Survey | NELA Trainee Poster Prize

Only posters shortlisted for discussion will be discussed during the meeting and will be eligible for prizes

Shortlisted Green Star Award poster discussion sessions (for posters highlighted in green only)

Thursday 11 January 2024 (15:00-15:45)

Exhibition hall, third floor

Only posters shortlisted for discussion will be discussed during the meeting and will be eligible for prizes

Non-shortlisted facilitated group poster discussion sessions

Poster submitters who are not shortlisted for discussion, can book on to an informal group poster discussion session on a first come, first served basis (max six presenters per session). To book on to one of the following sessions, please email **secretariat@anaesthetists.org** or speak to a member of the Governance team during the conference.

Thursday 11 January (15:00 - 15:30)

Exhibition hall, third floor
